- 2 The above Statement of "Audited Financial Results" for the quarter and year ended 31-March-19 ("the Statement") has been reviewed by the audit committee and approved by the Board of Directors in its meeting held on 16-May-19.
- 3 The Company has adopted the Indian Accounting Standards (Ind-AS) from 1-April-17 and accordingly, the Statement for the quarter ended 31-March-18 has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards 34 - Interim Financial Reporting prescribed under section 133 of the Companies Act, 2013 read with relevant rules framed thereunder and other accounting principles generally accepted in India.
- 4 Figures for the quarter ended 31-March-19 and 31-March-18 as reported in these financial results are balancing figures between the audited figures for full financial year and year to date figures up to the third quarter of the relevant financial year, which were only reviewed and not subject to audit.
- 5 Subsequent to closure of its only manufacturing facility in year 2017, the management of the Company has been exploring various business activities in trading as well as manufacturing space with a particular emphasis in engineering sector which has traditionally been the expertise of the management since the inception of the Company.

Further, the management has explored the business of trading in metals and plans to scale up the trading activities in the year 2019-20. Accordingly, the operating segment of the Company as of now is trading in metals.

During the quarter ended December 31, 2018, the Company had substantially completed the settlement of liabilities, and realisation of assets, pertaining to its discontinued operations. Net surplus funds are available at the Corporate level for investment in a new business and the same have been temporarily invested in debt based mutual funds to earn risk free returns. As of now, income from or gain on fair valuation, of these investments is major source of income for the Company. However, the investments are temporary and the management of the Company does not foresee it to be a permanent source in view of the aforementioned business plan under evaluation. Consequently, the statutory liabilities and tax credits shall now be considered at Corporate level as majority of the liabilities of discontinued operations have been settled.

Consequently, figures for the discontinued operations have been separately disclosed and operations of the trading activities have been considered as continuing. Accordingly, corresponding figures for the previous periods have been reclassified/regrouped as per current period presentation.

The net worth of the Company as on date is positive and there is no foreseeable issue that the Company shall not be able to pay off its remaining liabilities which are not significant in current context.

In view of improved net worth and availability of funds, the management is hopeful to finalise a new business plan for the Company in near future and the Company shall be able to continue as a going concern.

- 6 In accordance with IND AS- 108, the Company has only one segment i.e. business of trading in metals.
- 7 The format of the quarterly financial results are available on the websites of Bombay Stock Exchange and the website of the Company ("www.everesttools.com").
